**SUBJECT: Transmittal of Clean Copy Pages for Class 1 Permit Modification Request Requiring Prior Written Approval for the Advanced Mixed Waste Treatment Project Hazardous Waste Management Act/Resource Conservation and Recovery Act Permit**

Dear Mr. Monson:

In accordance with Permit Condition I.D.5 of the Advanced Mixed Waste Treatment Project Hazardous Waste Management Act and Resource Conservation and Recovery Act (jointly referred to as "RCRA") Permit, Fluor Idaho, LLC is enclosing three hard copies of the clean copy pages for the above-referenced Permit Modification Request, which was approved by the Idaho Department of Environmental Quality on April 28, 2016, and in effect as of June 1, 2016. Also enclosed is an "Information Only" compact disc containing the PDF version of the clean copy pages and the entire Permit, with the clean copy pages incorporated.

If you have questions or comments, please contact Doug Collins, at (208) 557-6507, or Scott Reno at, (208) 533-0391.

Sincerely,

Scott L. Reno, Manager  
Environmental Compliance
