CCN 319532

Mr. Brian R. Monson
Hazardous Waste Program Manager
Waste Management & Remediation Division
Idaho Department of Environmental Quality
1410 North Hilton
Boise, ID 83706-1255

SUBJECT: Transmittal of Clean Copy Pages for Modification Request for the Advanced Mixed Waste Treatment Project Hazardous Waste Management Act/Resource Conservation and Recovery Act Transuranic Storage Area Interim Status Document

Dear Mr. Monson:

Enclosed are three hard copies of the clean copy pages for the above-referenced Modification Request, which was approved by the Idaho Department of Environmental Quality on April 28, 2016 and in effect on June 1, 2016. Also enclosed is an "Information Only" compact disc containing the PDF version of the clean copy pages and the entire document, with the clean copy pages incorporated.

If you have questions or comments, please contact Doug Collins, at (208) 557-6507, or Scott Reno at, (208) 533-0391.

Sincerely,

Scott L. Reno, Manager
Environmental Compliance

Mr. Brian R. Monson
