Subject: WIPP

Dear Mr Maestas, Please tally my vote against expanding WIPP. It is clearly not safe according to those technicians who study it constantly. These are not matters to take lightly or hurry or railroad through. WIPP has opened too soon, with an unsafe roof, for those wearing special suits and there are myriads of containers precisely like the one which exploded earlier still there. Please do register my complaint.

Thank you Carol Benson, teacher , musician, NM citizen
