Dear Ms. McDaniel:

In response to the above referenced letter, the Carlsbad Field Office (CBFO) has reviewed Nuclear Waste Partnership LLC's (NWP's) request for an extension of the due date for submittal of completion documentation associated with CBFO Corrective Action Reports (CARs) 16-058 and 16-059, which resulted from CBFO surveillance S-16-51. The justification provided for the extension is acceptable; therefore, the CBFO approves the extension request. The due date for submittal of the completion documentation is extended to June 28, 2017.

If you have any questions concerning this approval, please contact me at (575) 234-7476.
