INSTRUCTIONS FOR PROVIDING A CORRECTIVE ACTION PLAN

You are requested to provide a corrective action plan (CAP) in response to this corrective action report (CAR) by the completion date identified in block 13b of the CAR. If this date cannot be met, provide a written request for extension to the Quality Assurance Representative with courtesy copy to the Office of Quality Assurance Director. This request must include justification for the delay and must be provided seven calendar days prior to the response due date (CAR block 13a).

The CAP shall address the corrective actions indicated in CAR block 11. As appropriate, develop the plan in accordance with the following sequence and format:

In order to develop the CAP, perform an investigative action to determine the extent and impact of the deficiency and to identify the causal factors. Next, determine the actions required to correct the adverse condition. The plan shall include the following information, as appropriate to CAR block 11.

1. Corrective action response for CAR # 17-048
 - A. **Remedial Actions**-Describe actions required or taken to correct the specific conditions noted and any similar conditions identified during discovery.
 - B. **Investigative Actions**-Describe the investigative actions performed to determine the extent and impact of the deficiency and the results of the investigation. This will include a determination of the acceptability of any data generated prior to resolution of the deficiency.
 - C. **Causal Analysis**-Identify the causal factor(s) of the CAR condition. Refer to Step 5.3.2 if the CAR was issued to CBFO or Step 5.3.3 if the CAR was issued to a participant organization.
 - D. **Actions to Preclude Recurrence**-Identify the corrective actions required to address the causal factors of the condition in order to preclude recurrence.

NOTE: Schedule for completion of corrective actions is always required.

2. For each action above, identify the anticipated (or actual, if complete) completion date.
3. The response must identify the individual having the overall responsibility for completion of the corrective actions.
