

# NO TO MORE WASTE AT WIPP!

I oppose the "volume reduction"  
Permit Modification Request (PMR).

I ask NMED to deny that PMR.

If the PMR is not denied, it must  
be a Class 3 PMR because there is  
significant public concern. Further,  
it would increase the WIPP capacity  
by more than 25 percent. Any such  
change requires a public hearing.
