Re: Request for Extension of Public Comment Period

Dear Mr. Hancock:

In your email dated August 20, 2018, you requested an extension of the public comment period to 90 days on the Class 3 Modification to Clarify TRU Mixed Waste Disposal Volume Reporting, which NMED issued on August 6, 2018.

Pursuant to 20.4.1.901.A(3) NMAC, the requisite 45-day public comment period has been provided for in this matter. Therefore, no extension will be granted. However, please be aware that if a public hearing is ultimately granted in this matter, the comment period will automatically be extended to the close of the public hearing, in accordance with 20.4.1.901.A(6) NMAC.

Sincerely,

Butch Tongate
Secretary, New Mexico Environment Department
