Subject: WIPP is over, or should be

Dear Ricardo,

I oppose the expansion of the amount of waste disposed in the Waste Isolation Pilot Plant (WIPP) – a proposed 28% increase – all by changing the way waste is measured. I object to the proposed definitions for the *TRU Mixed Waste Volume* (“the gross internal volume of the outermost disposal container”) and the *Land Withdrawal Act TRU Waste Volume* (“the volume of TRU waste inside a disposed container.”)
