**RE: HEARING FEE ASSESSMENT
WIPP HAZARDOUS WASTE FACILITY PERMIT
EPA I.D. NUMBER NM4890139088
HWB-WIPP-18-001-HF-FINAL**

Dear Messrs. Shrader and Covert

On January 31, 2018 the Department of Energy ("DOE") and Nuclear Waste Partnership ("NWP") (collectively the "Permittees") submitted a Class 2 Permit Modification Request titled: "*Clarification of TRU Mixed Waste Volume Disposal Volume Reporting*" to the New Mexico Environment Department ("NMED"). On June 1, 2018, NMED determined that it was appropriate to process the Class 2 Modification as a Class 3 Modification due to significant public concern and the complex nature of the proposed change. On August 6, 2018, NMED issued a draft Permit for a 45-day public comment period, NMED received hearing requests for this modification and the Secretary determined that a public hearing shall be held. NMED must therefore assess a Hearing Fee pursuant to 20.4.2.203.A(1) NMAC. On September 22, 2018, NMED issued a Notice of Public Hearing for this draft Permit.

On December 7, 2018, NMED issued the Permittees the initial Hearing Fee Assessment. Since that time NMED has received the remaining invoices and have calculated the total cost. With this letter NMED is assessing fees for the remaining balance of the total cost of the Public Hearing pursuant to 20.4.2.203.A(6) NMAC.

The attached invoice is the assessment for fees pursuant to 20.4.2.203.A(6) NMAC. NMED will credit the invoice against the FY2019 WIPP Supplemental Fee. If you disagree with the fee assessed, you may notify the NMED in writing, at the address above, of the intent to appeal the invoice under the provisions of 20.4.2.302.A NMAC.

If you have any questions regarding this matter, please contact me at (505) 476-6050.

Sincerely,

A handwritten signature in black ink, appearing to read "Ricardo Maestas", with a horizontal line extending to the right.
