Hello Mr. Jon Walsh and Mr. Nick Stone,

NMED has reviewed the appropriate section of the Biennial Environmental Compliance Report (BECR) as provided and has no issues or concerns. NMED also performed multiple site inspections during the April 1, 2016, through March 31, 2018 time period and our records indicate there were no unresolved non-compliance actions at the Facility.

Please let me know if you have any questions on this matter.

Thank you.
