RE: FEE ASSESSMENT
CLASS 1 PERMIT MODIFICATION NOTIFICATION
WIPP HAZARDOUS WASTE FACILITY PERMIT
EPA I.D. NUMBER NM4890139088-TSDF
INVOICE HWB-WIPP-19-003

Dear Messrs. Lachman and Covert:

The New Mexico Environment Department (NMED) acknowledges receipt of a Class 1 Permit Modification Notification pertaining to the WIPP Hazardous Waste Facility Permit. The Notification informed NMED of the following: Update to Department of Energy, Carlsbad Field Office Manager in Permit Attachment A, Section A-1, Facility Description, and Attachment B, Hazardous Waste Permit Application Part A and Updates to the List of Active Environmental Permits in Permit Attachment B, Appendix B1. The Notification was dated August 1, 2019 and was received on August 2, 2019.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2)(b) NMAC require the assessment of fees. The fee invoice is attached to this letter. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental permit fees to the Permittees for the current State fiscal year, and the Permittees transmitted payment of these fees, the fee invoices have been effectively paid under these supplemental fees.
If you have any questions regarding this matter, please contact me at 476-6050.

Sincerely,

Ricardo Maestas
WIPP Staff Manager
Hazardous Waste Bureau
