RE: FEE ASSESSMENT  
CLASS 2 PERMIT MODIFICATION REQUEST  
WIPP HAZARDOUS WASTE FACILITY PERMIT  
EPA I.D. NUMBER NM4890139088-TSDF  
INVOICE HWB-WIPP-19-006

Dear Messrs. Sasson and Dunagan:

The New Mexico Environment Department (NMED) acknowledges receipt of a Class 2 Permit Modification Request (Request) pertaining to the WIPP Hazardous Waste Facility Permit. The Request entitled: Removal of Deteriorating/Non-Essential Water Level Monitoring Program Wells, was dated October 25, 2019 and was received on October 29, 2019.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2) NMAC require the assessment of fees. The fee invoice is attached to this letter. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental permit fees to the Permittees for the current State fiscal year, and the Permittees transmitted payment of these fees, the fee invoices have been effectively paid under these supplemental fees.
If you have any questions regarding this matter, please contact me at 476-6050.

Sincerely,

Ricardo Maestas
WIPP Staff Manager
Hazardous Waste Bureau
