Subject: RE: [EXT] Motion for Stay of Temporary Authorization

Mr. Lovejoy,

Thank you for your correspondence. As you are aware, there are no motions available to you at this time, as this is not a docketed proceeding. Additionally, it was brought to my attention that you have filed a Notice of Appeal before the Court of Appeals regarding this matter, which means we are in litigation with you on this matter. Therefore, for both of those reasons, NMED will not entertain this motion, and stands by its decision to issue the referenced Temporary Authorization.

Regards,
Stephanie Stringer
