Subject: [EXT] Stop Forever WIPP!

Dear Mr. Maestas,

WE NEED YOUR HELP TO PROTECT THE PEOPLE OF NEW MEXICO

We must find another way to keep New Mexico, one of the poorest states in the Union, a majority-minority state,
from becoming the universal dumping-ground for radioactive wastes.

STOP DRILLING THE SHAFT!

WITHDRAW THE TEMPORARY AUTHORIZATION

STOP THE WIPP EXPANSION—The NMED made an agreement about WIPP that would keep the people of

New Mexico from being the recipients of the dirty waste from all over the country. WHERE IS YOUR HONOR?

Protect the People and Environment of New Mexico from

NUCLEAR DUMPING THAT WILL NEVER END

Sincerely,

Basia Miller
