**Reference:** NWP Letter CO:22:02963 UFC: 2300.00 from Martha Gonzales to Mr. Daniel Burke; Subject: Extension Request for Submittal of Completion Documentation Associated with CBFO Corrective Action Report 21-016, Issued as a Result of CBFO Audit A-21-17, Nuclear Waste Partnership LLC, Central Characterization Program Los Alamos National Laboratory Recertification under Prime Contract DE-EM0001971, dated March 29, 2022

Dear Ms. Gonzales:

The Carlsbad Field Office (CBFO) has reviewed the referenced letter from Nuclear Waste Partnership LLC (NWP) requesting an extension of the due date for submittal of the completion documentation associated with CBFO Corrective Action Report (CAR) 21-016, resulting from CBFO Audit A-21-17, NWP Central Characterization Program Los Alamos National Laboratory Recertification. The justification for allowing more time is acceptable; therefore, the CBFO approves the extension request. The due date for submittal of the completion documentation for CAR 21-016 is hereby extended from April 13, 2022 to May 5, 2022.

This letter provides technical direction only in accordance with the Technical Direction Clause (H.10) of the contract, and may not be construed to constitute a change to the contract. Any questions concerning allow-ability under, or changes to, the contract must be resolved by Mr. Daniel Burke, CBFO Contracting Officer, at (859) 469-0256 prior to your proceeding in any manner that might obligate the Government beyond the existing contract.

If you have any questions, please contact Mr. Joe Lopez, CBFO Quality Assurance Specialist, at (575) 200-0716. For all other questions, please contact myself at (575) 361-4788.
