Dr. R. A. Crawley, Acting Branch Chief
Experiments and Engineering Branch
WIPP Project Office
U. S. Department of Energy
P. O. Box 3090
Carlsbad, NM 88221

Subject: WIPP 40 CFR 191 Compliance Plan

Dear Dr. Crawley:

Enclosed is a Trip/Conference Report from our July 23, 1986 presentation at DOE-Headquarters. Action items discussed at the meeting included the modification of the compliance plan flow chart, and the formal transmission of the compliance plan to DOE-Headquarters. This letter transmits to you the updated flow chart and copy of the compliance plan for transmittal to DOE-Headquarters.

If you have any questions, please call me.

Sincerely,

Robert J. Eastmond
Safety Evaluation Programs
