MEMORANDUM

To: Denise Fort, Chairperson,
Radioactive Waste Consultation Task Force

From: Jack Mobley *J. Mobley (per m/c)*

Subject: Notes from the Meeting to Consider Creation
of a Public Advisory Committee

Date: November 25, 1986

Robert Aly, CARD representative attending the captioned meeting, called to inform me of his perception of the final vote and recommendations that I reported on pages two and three of my 11/7/86 memo to you. Mr. Aly believes that the membership remaining in the meeting at the end of the day voted as follows:

1. Unanimously in favor of the recommendation that Governor Anaya recommend that Governor-elect Carruthers form a PAC on the WIPP project; and
2. Voted four to three with one abstaining that Governor Anaya should create a PAC that will carry into the next Administration.

My notes and recollections do not concur with Mr. Aly's perceptions, but I told him that I would report his call to you and the others concerned with the formation of a Public Advisory Committee.
