Dear Mr. Jones:

Just a short note to acknowledge receipt of and thank you for providing me with the notice of EID's final sign-off on the San Jose remedy.

I am extremely pleased to know that EPA finally agreed to a number of changes that you and your staff were suggesting, and I appreciate your willingness to suggest that my involvement made a difference. I hope that, in fact, it did.

I look forward to working with you in the future.

Sincerely,

Pete V. Domenici
