OFFICE OF THE SECRETARY

Ms. Kathleen Sisneros  
New Mexico Environment Department  
Harold Runnels Bldg.  
P.O. Box 26110  
Santa Fe, NM 87502

Dear Ms. Sisneros:

In preparation for the upcoming series of stakeholder meetings regarding the System Prioritization Method (SPM), the Carlsbad Area Office (CAO) has arranged for a basic tutorial regarding Performance Assessment (PA) computer modeling codes. This tutorial will involve overviews of the individual codes and their associated data inputs. Hands-on demonstrations will be conducted by the technical experts who designed the codes. The tutorial is designed to provide you with a basis for understanding the computer programs that will be used in the SPM.

The tutorial is scheduled for September 13-15, 1994 in Albuquerque, New Mexico at the BDM complex, located at 2301 Buena Vista S.E. The classes will run from 8:00 a.m. to 5:00 p.m. The final day will end at approximately 3:00 p.m. There are only six openings available; please contact Mr. Robert Bills of my staff as soon as possible to reserve an opening. If you have any questions or need any additional information, please contact Mr. Bills at (505) 234-7481.

Sincerely,

*George E. Dials*
