OFFICE OF THE SECRETARY

Ms. Judith M. Espinosa, Secretary
New Mexico Environment Department
P.O. Box 26110
Santa Fe, NM 87502

Dear Ms. Espinosa:

Please find enclosed our revised Chapter F, Procedures to Prevent Hazards, and Chapter H, Personnel Training, of the Resource Conservation and Recovery Act (RCRA) Part B permit application.

Upcoming submissions include Chapter D, Facility and Process Description, and Chapter I, Closure/Post-Closure Plans and Financial Requirements, which are scheduled to be sent to you by January 6, 1995.

Our first RCRA application transmittal letter of September 30, 1994 indicated our plan to host a public information meeting to discuss the phased submittal approach and outline the revisions to Chapters B, E, G, J, K, F and H on the evening of October 27, 1994 in Carlsbad. The public information meetings are to be held in conjunction with the stakeholder meetings to facilitate the stakeholder's and public's attendance. The plans to host the public information meeting have been firmed up and are now scheduled to take place on October 27, 1994 from 7:00 p.m. to 10:00 p.m., following the first day of the stakeholders meeting, at the La Posada, 125 2nd Street, Albuquerque, New Mexico.

Again, as I stated in our previous submittals, we are pleased to begin working with the State of New Mexico and look forward to continuing positive dialogue with those on your staff responsible for the RCRA permit application reviews. If you have any questions or require further information, please contact me at (505) 234-7300.

Sincerely,

George Dials
Manager
