

AGENDA

WASTE CHARACTERIZATION BRIEFING FOR NMED

High Mesa Inn, 3347 Cerrillos Rd.

OCTOBER 14, 1994

INTRODUCTION	CAO	10:00
	Introduction of participants and roles in the development of the revised permit application and the waste characterization program.	
DOE's W/C PROGRAM	Mike Connolly, INEL	10:10
	Description of the DOE's plans for conducting the waste characterization program, emphasizing that process knowledge will be backed by data from the sampling and analyses activities. Describe the complimentary nature that RCRA w/c has with the No-Migration w/c.	
TRU Waste Characterization Quality Assurance Program Plan (QAPP), Rev. 0	Mike Connolly, INEL	10:40
	Discuss the differences in the latest revision of the QAPP and identify the data that will be required, including the DQOs.	
PERFORMANCE BASED WAC	Mark Duff, WTAC	11:20
	Brief discussion of the purpose of the PB-WAC and how it differs from the current WAC. Describe the logic upon which it is based.	
LUNCH BREAK		12:00
GENERAL DISCUSSION	Participants	1:00
CLOSE-OUT		2:30

Anticipated Attendees
