Dear Supplier:

The Waste Isolation Division (WID) of Westinghouse Electric Corporation is in the process of updating our Supplier Applications thereby, updating supplier information. As part of this update, we must verify existing supplier information and request additional information through the Supplier Application Form. The Supplier Application Form will ensure the accuracy of the general information the WID has on your company. This is our main source for cataloging your products.

During the completion of the Supplier Application Form, please be as thorough as possible paying special attention to the federal and state tax numbers, and product information. Also, please be sure to sign and date the Supplier Application Form.

To ensure your maximum procurement opportunities, please return the completed enclosures by facsimile machine to (505) 885-8802, no later than June 23, 1995. Or you may return the materials by mail, again no later than June 23, 1995 to:

Westinghouse Electric Corporation
Waste Isolation Pilot Plant
P.O. Box 2078
