RE: WIPP HWA permit application

Pursuant to our discussion, please send me copies of the Environment Department's letters to the applicants for a HWA permit for WIPP. I understand that these amount to two letters containing comments and requests for further information. I also understand that you expect that another letter will go out at the end of next week containing the remainder of your comments and information requests. Please send a copy of that letter to me when it is sent to the applicants.

In addition, you said that you have a target of December 12 for a Notice of Deficiency to the applicants. I request that you send me a copy of that when it is issued.

Thanks for your help. Have a good Thanksgiving.
