DEC 01 1995

Mr. Benito Garcia
New Mexico Environmental Department
Hazardous & Radioactive Materials Bureau
P.O. Box 26110
Santa Fe, N.M. 87502

Dear Mr. Garcia:

Please find enclosed the response to your comments on Chapters A and B of the WIPP RCRA Part B application. We received your comments on these chapters on November 3, 1995.

Our responses are transmitted to you in draft format and also contain the redline/strikeout version of the text in both hard copy and on floppy disk in accordance with your request dated November 2, 1995. Additionally, to facilitate your review of our responses, Steve Zappe of your staff has authorized us to provide our responses directly to A. T. Kearney, Inc.

At this time, I would like to request a meeting on December 8, 1995, with you and your technical staff to discuss our responses contained within this package. Craig Snider of my staff will coordinate this request with you.

If you have any questions, please do not hesitate to contact me at (505) 234-7486 or Craig Snider at (505) 234-7452.

Sincerely,

Michael H. McFadden
Assistant Manager
Office of Regulatory Compliance
