Good Morning!

The New Mexico Environment Department will host the 53rd WIPP Quarterly Review meeting, currently scheduled for Thursday, January 11, 1996, at 8:30 AM. This date differs from the original January 18 due to a conflict with Chris Wentz's schedule. Since we have no suitable meeting room in our new location and the conference room at NMEMNRD is booked, this meeting will be held at our old location in the Marquez Place conference room, 525 Camino de los Marquez, Santa Fe.

I know this is a late start, but I am soliciting agenda items to follow the usual status/activity reports from DOE, EEG, NMED and NMEMNRD. Please provide me (827-1561, fax 827-1544) with your suggestions for topics, presenters, and time allotment before Wednesday, December 20, so I can create a draft agenda and return it for your review before the Christmas holidays. Thanks for your help!

Sincerely,

Steve Zappe
