Dear Mr. Geisler:

I am writing this letter to request information from your office which would help our bureau respond to queries from citizens for information on WIPP. I spoke with Nancy Heavner on Friday, February 2, and she asked that I submit a written request to you. In the interest of providing a balanced perspective, would you please provide the following items for our internal use and for inclusion in our library?

- Speakers Bureau overhead transparencies and script
- Brief overview video on WIPP
- Any newly-revised fact sheets

Also, my current WIPP phone list is eighteen months old and obviously out of date. Could you please provide me with a current phone list? Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script, appearing to read "Steve Zappe".
