Subject: WID INFORMATION

Dear Mr. Zappe:

Enclosed is the information you requested. The information will help your bureau respond to queries from citizens for information on WIPP. The information listed below is for your internal use and for inclusion in your library:

- Brief overview video on WIPP
- Information packet (contains the latest fact sheets)
- Current WIPP phone listing
- Speaker's Bureau script
- Color copy of corresponding transparencies for the script

According to your conversation with Ms. Nancy Heavner, the overhead transparencies will be forwarded to you within the month. Please accept our apology for any inconvenience this may cause you or your staff. We are also including a WIPP toll-free number sticker for your use. You may share this number with your staff and the public should they require information on the WIPP. If you need more information please contact me at (505) 234-7220.

Sincerely,

Randy B. Geisler, Manager
