Mr. Steven Zappe
Hazardous and Radioactive Materials Bureau
New Mexico Environment Department

Dear Mr. Zappe:

I would like to request information concerning the RCRA Part A and Part B permit applications submitted by the US Department of Energy for the WIPP facility near Carlsbad, NM. Specifically, I would like electronic copies of the Part B application, a hardcopy of the Part A application, and any current requests for information and responses relevant to the application.

Thank you in advance for your expedient response to my request. If you need any additional information regarding my request, please do not hesitate to contact me at the address or phone numbers listed below.

Sincerely,

Herb Grover
