Dear Mr. Weidler:

Please find enclosed a page change for the TWBIR, Revision 2, Table 3-4, Disposal Radionuclide Inventory. A typographical error was found in which several rows of data were transposed, but this error did not affect the total radionuclide activities reported.

Please replace Pages 3-31 and 3-32 with the enclosed corrected double-sided sheet to keep your Controlled Copy current and add the Change History page (page i) directly after the title page of Volume 1.

If you have questions concerning these changes, please contact Mr. Russ Bisping of my staff at (505) 234-7446.

Sincerely,

  
Don Watkins  
Manager
