Re: NOD/WIPP - Test Phase

Dear Mr. Zappe:

I am requesting a copy of the Notice of Deficiency which the New Mexico Environment Department's Hazardous and Radioactive Materials Bureau issued to the U.S. Department of Energy/Westinghouse concerning the permit application for the Waste Isolation pilot Plant's Test Phase. If there is a "copying charge," please let me know; thank you for your help.

Sincerely,

Kathleen M. Sisneros
President
