Pat -

Attached are names, titles, and organizations of people attending the WIPP tour on Friday, April 12. We will need to complete the tour before noon so that we may drive back to Santa Fe by a reasonable time. Please note that while Barbara and I will not be taking the tour Friday, all of us will require access to the WIPP facility on Thursday afternoon, April 11, to visit selected solid waste management units (**SWMUs**). Let me know if you need any further information.
