4/30/96

<b>Action Items</b>	<b>Action By</b>
Provide the CAO with a copy of Hamid Maleki's report on Mine Stability.	<b>Bob Neill, EEG</b>  <i>Received 5/1/96.</i>
Provide the EEG with status of its outstanding requests to the DOE.  1) User's Manual for computer codes used in performance assessment. Requested Jan. 5, 1996; promised Mar. 6, 1996. 2) Final resolution of FEPs. Reports requested Jan. 5, 1996. 3) Material given to the conceptual model peer review group, including their qualifications and Nov. 1995 DOE-approved drafts of Chapter 6 of the CCA. Requested April 2, 1996. 4) Access to Parameter Data Documents and Form 464s for data used in the CCA performance assessment. 5) Request to present EEG's views to all peer review groups.	<b>Mike McFadden, CAO</b>  <i>1) Provided by SNL 5/3/96 per request of M. McFadden, CAO.</i>
The EEG requested a meeting with Martin Tierney and Susan Howard to review data packages the week of May 6, 1996.	<b>Mike McFadden, CAO</b>
The EEG requested that copies of documentation be made available to the EEG prior to the documentation being sent to the Records Center. This would negate the EEG having to request documents from the Records Center and would speed up the EEG's review of such documentation. Items specifically requested were Berglund documentation and other material that becomes the basis for data packages.	<b>Mike McFadden, CAO</b>
Provide the EEG with a copy of SAND 96-0561.	<b>Mike Irwin, SNL</b>
Provide Lindsay Lovejoy with a copy of SAND 96-0561.	<b>Mike Irwin, SNL</b>
The EEG requested a special meeting to discuss SAR with regards to worker dose assessments in the WAC.	<b>Kent Hunter, CAO</b>
Provide the EEG with definitions of defense and non-defense waste and share additional information.	<b>Cooper Wayman &amp; Don Watkins, CAO</b>
Provide EEG and NMEMNRD with a copy of the letter from the CAO to the AG which described defense waste and volumes.	<b>Lindsay Lovejoy, NMAG</b>
Schedule 55th WIPP Quarterly Review.	<b>Chris Wentz, NMEMNRD</b>  <i>Scheduled for July 25, 1996, in Santa Fe, NM. The NMEMNRD will host it.</i>
