Dear Susan:

This letter is a follow-up to the conversations we have had in the past concerning procedural matters and aspects of the following:

- (1) What is the relationship between the NMED and EPA (Region VI) on the HSWA application?
- (2) Are we correct to assume there will be:
 - one RCRA application with the HSWA as a subpart.
 - one hearing and one permit.
- (3) Will a separate NOD be prepared for the HSWA portion and will there also be administrative completeness and technical completeness before the NOD?

These matters are deemed significant to our attorneys workgroup for the forthcoming RCRA hearing.

Your king attention to this matter is appreciated.

Sincerely,

Cooper H. Wayman
