Santa Fe, NM 87504-1508

Subject: WIPP QUARTERLY REVIEW MEETING

The next WIPP Quarterly Review meeting was tentatively scheduled for Thursday, July 25, in Santa Fe. Our Department (EMNRD) will be hosting this meeting; however, both of our conference rooms are already booked for other activities. Therefore, I am proposing that our meeting be re-scheduled to Wednesday, July 24. Please let me know as soon as possible if this new proposed date works for you and your staff. If not, we may have to find an available conference room at another State agency in Santa Fe or else hold the meeting at EEG's offices in Albuquerque.

I am also requesting at this time recommendations for agenda items. Any suggestions should be sent to me no later than Friday, June 28. Some items that may be appropriate and timely:

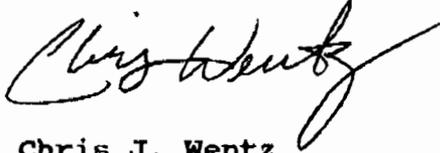

- * Compliance Certification Application
 - Final Data Input to PA Models
 - Final CCDF Calculations
 - Inventory Definition for Final Compliance Package
- * Status of EPA Compliance Criteria Lawsuits
- * No-Migration Variance Petition
- * Status of RCRA Part B Permit Process
- * Status of TRU Waste Management Plan

960611

I can be reached at Phone:827-1372 or Fax:438-3855 in Santa Fe.
Thank you for your anticipated cooperation regarding my request
for assistance in planning the next WIPP Quarterly.

Sincerely,

Chris J. Wentz
Coordinator
N.M. Radioactive Waste Consultation Task Force
