Dear Mr. Wayman:

RE: Inspection of Public Records Act Request

On May 31 and June 14, 1996, Andy Stanley and Gordon Venable from ASI again visited HRMB's office in Santa Fe to examine files related to the WIPP Part B permit application. They identified documents for which they wanted copies made, as described on the attached list. Several documents initially requested by Mr. Venable (portions of DOE/WIPP Draft-2115 "voluntary Release Assessment/Corrective Action Workplan.." and "Data Summary Report No. 4") will instead be provided directly to him by Mr. Craig Snider of DOE/CAO.

Please remit the following amount to cover the charges for copying:

Total Copies	289	
Free copies	<u>0</u>	(provided during first visit)
	289 x \$.35 =	<u>\$101.15</u>
TOTAL DUE		\$101.15

This total due assumes you will either pick up the copies yourself, or provide us with a FedEx billing number for shipment. Please make the check payable to "NMED/HRMB", and send it to the attention of Mr. Steve Zappe at the above address.

If you have any further questions on this matter, please contact Mr. Zappe of my staff at (505) 827-1561.

Sincerely,

Barbara Hoditschek
