SANTA FE, NM**

From I-25 northbound, get off at the St. Francis exit going north.

After going through 2-3 intersections with stoplights, get off at St. Michael's Drive (exit ramp is on right).

On the St. Michael's exit ramp, get in left-hand lane and turn left onto St. Michael's Drive.

You'll go under the St. Francis overpass, and then past a Shell service station on the right.

Next you'll see Payne's Nursery, also on your right.

The N.M. Regulation and Licensing Department (RLD) building will be the next large structure on the right after Payne's. It has a big "725" on the outside.

The meeting will be held in what RLD calls its "large" or "big" conference room. It's to the left when you come through the front doors.
