Dear Mr. Neill:

I spoke with Lokesh this morning about the new date for the next WIPP Quarterly meeting. During the conversation, I offered to provide EEG with clean copy of the WIPP Land Withdrawal Act (LWA) as recently amended. For this project, I scanned in the original LWA and converted it to text, and then incorporated the provisions of H.R. 3230. Chris Wentz of NMEMNRD proof-read the final text. Enclosed is a 3.5" disk containing several WordPerfect 5.2 files, ranging from the original LWA and the final 1997 National Defense Authorization Act, to various versions of the LWA as amended.

I will bring copies of the small print version for distribution at the Quarterly meeting on November 26. If you have any questions, please call me at (505) 827-1561.

Sincerely,

Steve Zappe
