Dear WIPP Stakeholder:

The Albuquerque Post Office has inadvertently returned a few letters of comment on the Waste Isolation Pilot Plant (WIPP) Disposal Phase Draft Supplemental Environmental Impact Statement (SEIS-II).

The letters were addressed to me as follows:

Harold Johnson  
NEPA Compliance Officer  
Attn: SEIS-II Comments  
P. O. Box 9800  
Albuquerque, NM 87119

This is, in fact, the correct address. Post office records mistakenly indicated the box was unrented, and we have rectified this misunderstanding. If your comments have been returned, please re-send them to this same address, or you may fax them to (505) 224-8030. As the comment period has been extended until February 27, 1997, there should be no problem in our receiving your comments by the deadline.

We apologize for any inconvenience this error may have caused you.

Sincerely,

Harold Johnson,  
NEPA Compliance Officer
