Good Morning!

This is the third and final notice concerning the upcoming 57th WIPP Quarterly Review meeting. The meeting is scheduled for **Thursday, February 13, 1997, at 8:30 AM**, and will be held in the second floor conference room at the NM Energy, Minerals, and Natural Resources office at 2040 South Pacheco, Santa Fe.

Attached is the final tentative agenda which reflects DOE's input, yet retains several topics which DOE preferred not to give formal presentations. These topics will be addressed during a question and answer session after the other presentations have been given. I've provided considerable slack in this agenda, and there is no reason why we couldn't adjourn by 2:30 or 3:00 PM if all goes smoothly.

Any questions? Call me at 827-1561. I look forward to seeing you all there on the 13th!

Sincerely,

Steve Zappe
