Margret -

Here are my copies of 20 NMAC 4.1 (Hazardous Waste Management Regulations) and 20 NMAC 1.4 (Permit Procedures - Environment Department). they are also available from our NMED web site at <[http://www.nmenv.state.nm.us/regs\\_idx.html](http://www.nmenv.state.nm.us/regs_idx.html)>. I spoke with Susan McMichael of NMED OGC, and she suggested that you contact her directly (827-0127) with further questions about the WIPP permitting process and potential modifications to the hearing regulations. Thanks!
