Pat & Ken -

Attached are names, titles, and organizations of people tentatively attending the WIPP tour on Friday, May 2. No additional names will be added to the list, but some may be removed as the date draws nearer. We will need to complete the tour before noon so that we may drive back to Santa Fe by a reasonable time.

We would like permission to bring cameras, if possible. Let me know if you need any further information. I will be out all next week, and will return to the office on Monday, April 28. Thanks for your help!
