P.O. Box 4524

Dear Mr Hancock:

Enclosed are the documents you requested in your fax of May 7, 1997. Please note that, in order to keep the size of your request small enough to avoid copying charges, I did not provide everything originally included in the March 10, 1997 letter from Ed Kelley to Bob Light. The items excluded were the cover letters documenting more than twenty exchanges between DOE and NMED from April 12, 1996 (DOE's submittal of Rev 6 of the RCRA Part B Permit Application) to February 25, 1997 (NMED's request for a revised WIPP Groundwater Monitoring Plan, included on your list). If you need any of these documents, you may wish to submit a FOIA request to:

Mr. Tom Duker
NMED
P.O. Box 26110
Santa Fe, NM 98502

Call me at (505) 827-1561 if you have any questions.

Sincerely,

Steve Zappe
