**Subject: DRAFT AGENDA for WIPP QUARTERLY REVIEW MEETING,  
THURSDAY, JULY 31, 1997, IN SANTA FE**

Attached is the draft agenda for the next WIPP Quarterly Review Meeting. This 59th Quarterly WIPP Review is scheduled to convene at 8:30 a.m. on Thursday, July 31, 1997, at DOE's WIPP Public Information Center (982-7129) near the Plaza in downtown Santa Fe. The Center is located at 141 E. Palace Avenue, just a block northeast of the Plaza. Directions to the Center are attached.

As you can see from the draft agenda, I have built some extra flexibility into our meeting schedule so as to allow sufficient time for discussion and for addressing issues not specifically listed on the agenda. Two such issues are the EPA's schedule for processing the Compliance Certification Application; and the results/implications of the K<sub>4</sub> meeting to be held the day before the Quarterly.

Thank you for your input in formulating the agenda for our next meeting. I look forward to seeing you there.

Sincerely,

Chris J. Wentz  
Coordinator  
N.M. Radioactive Waste Consultation Task Force
