Steve,

When I arrived, one of the women thought you had run a quick errand so I ~~was~~ re-filed the '94/'95 docs. Later, Stu mentioned that you were called away for a mtg. I finished the '94/'95 docs. & took out copies of them.

If you will be in this afternoon, pls. call me. Perhaps I'll be able to return this afternoon to file more docs.

Will you be in on Mon.? I'd like to file & pick up more docs. Pls. call me abt. this, if you have a chance, & I will try to reach you this afternoon.

By the way, I copied 2 more docs, which I added to your list.
