Holiday Greetings!

The New Mexico Environment Department will host the 61st WIPP Quarterly Review meeting, currently scheduled for Thursday, January 29, 1998 at 8:30 AM. Check your schedules to ensure this date is open - if you have an insurmountable conflict, call me as soon as possible.

At this time I am calling for quarterly review agenda items to follow the status/activity reports from DOE, EEG, NMED and NMEMNRD. Please provide me with your suggestions for topics, presenters, and time allotment before Christmas so I can create a draft agenda and return it for your review right after the first of the year. I can be contacted at (505)827-1536 and material can be faxed to (505)827-1545. Thanks for your help, and have a happy holiday season!

Sincerely,

T. Tatkin
