Dear Messrs. Dials and Epstein:

RE: Request for items incorporated into draft permit

The Hazardous and Radioactive Materials Bureau (HRMB) has identified several items which it will incorporate into the WIPP draft permit. Previous discussions with members of your staff indicated your need to be given sufficient advance notice in order to reproduce these items. Please provide HRMB with twenty five (25) copies of the following items:

- Figure A2-3, "Topographic Map with Underground Facilities" from Chapter A
- Drawing Number 51-W-214-W, "Underground Facilities Typical Disposal Panel" from Appendix D3

Please ensure these drawings and maps are marked as informational copies and have no expiration date. Submit these items to HRMB no later than Friday, February 27, 1998.

If you have any questions, please contact Mr. Steve Zappe of my staff at (505) 827-1561.

Sincerely,

Robert S. (Stu) Dinwiddie, Manager
