NM ENVIRONMENT DEPARTMENT
OFFICE OF THE SECRETARY

Subject: REVISED RESOURCE CONSERVATION AND RECOVERY ACT PERMIT FEES FOR
THE WASTE ISOLATION PILOT PLANT

Dear Mr. Kelley:

The purpose of this letter is to transmit additional Resource Conservation and Recovery Act (RCRA) permit fees for the Waste Isolation Pilot Plant in accordance with your letter of February 24, 1998.

Enclosed is a payment of \$291,285.95. This payment recognizes costs to the New Mexico Environment Department (NMED) involving legal and technical reviews in the preparation of the permit and the administrative process of the public hearings. We anticipate this additional fee will ensure that no time is lost in completing this critical process.

If any questions arise, please feel free to contact me at (505) 234-8200, or Ms. C. B. Adair of my staff at (505) 234-8559.

Sincerely,

J. L. Epstein
General Manager
