Please remove the old portion and replace it with the new portion. You can recycle the old portion.

There is a binder that needs to be added entitled *Resource Conservation and Recovery Act Part B Permit Application - Supplemental Information*. You can place this after Volume XIII. One goes with the Runnells Part B and the other goes with the Community College Part B.

When you're done - use the attached checklist to make sure all the parts are there. If anything is missing, please call me at (505) 234-8081 or Bob Kehrman at (505) 234-8690.

Thank you so much for updating these.
