COMMENTS

Colleen & Ken -

Attached are names, titles, and organizations of people tentatively attending the WIPP tour on Friday morning, May 1. No additional names will be added to the list, but some may be removed as the date draws nearer. We can arrive at the site by 8 AM. We will need to complete the tour around noon so that we may drive back to Santa Fe by a reasonable time. Also, I understand there are several other groups touring that day, so you may combine us with one of them if it will make matters simpler for you.

We request permission to bring cameras. Let me know if you need any further information. Thanks for your help!

Steve
