Dear Mr. Garcia:

We are currently responding to the Environmental Protection Agency (EPA) RFP No. PR-HQ-98-10135 for the procurement of advisory and assistance services supporting RCRA Enforcement, Permitting, and Assistance (REPA). The EPA is placing increased emphasis in their acquisitions on past performance as a source selection evaluation factor. EPA requires offerors to inform references identified in proposals that EPA may contact them about past performance information.

If you are contacted by EPA for information on work we have performed under contract for your company/agency/state or local government, you are hereby authorized to respond to EPA inquiries.

Your cooperation is appreciated. Please direct any questions to Bill Jordan, at (703) 818-3254.

Sincerely,

Robert A. Weissman
Vice President/General Counsel
